

Brief Biography

Prof. Sujit K. Biswas received the B.E.E. degree in Electrical Engineering from Jadavpur University, Kolkata and the M.E. degree in Electrical Engineering as well as the PhD from the Indian Institute of Science, Bangalore.

He joined the faculty of the Department of Electrical Engineering, Jadavpur University, Kolkata, in July 1987, where he was a Professor and has served as the Head of the Department. At present, he is a Visiting Professor with the same Department, continuing PhD supervision. He is the Dean (Academic) of St. Thomas College of Engg. and Technology, Kolkata and a Professor of Electrical Engg. His fields of interest are static power conversion, electrical drives, power semiconductor applications, magnetics and applied electronics.

He has been associated with several Government of India bodies and agencies as an Expert in the area of academic quality improvement and Power Electronics related activities. He has also been associated as a consultant with several major industries in India to develop indigenous technologies in the area of Power Electronics and Drives.

Dr. Biswas is a Fellow of the Institution of Engineers (India), a Fellow of the Institution of Electronics and Telecommunication Engineers (India) and a Senior Member of the Institution of Electrical & Electronics Engineers (USA). He received several awards, amongst which are the Indian National Science Academy Medal for young Scientists and the IETE-Bimal Bose Award for "Outstanding contribution in the field of Power Electronics". He is the Past Chairman of the IEEE IAS Kolkata Chapter, Past Chairman of the IEEE Kolkata Section and Past Vice Chair Technical Activities of IEEE India Council. He was also a Member of the IEEE Region 10 Conference and Technical Seminar Committee.
